5 CTS-V FORGED ALLOY WHEELS*

Specially designed and offered exclusively for the CTS-V, these wheels will be a great addition to your V. The open-face design highlights the large Brembo rotors and calipers. In addition, the highly polished finish provides added sparkle.

8 CTS-V CROSS-DRILLED BRAKES*

Employing advanced racecar technology, the rotors are cross-drilled and precision-machined within strict tolerances to cool the brakes quickly, minimizing brake fade and increasing overall performance during heavy-duty usage.

6 CTS-V CARBON FIBER

UNDER-HOOD APPEARANCE KIT**

Reduce weight and enhance the under-hood appearance of your V. A lightweight carbon-fiber tower-to-tower brace replaces the standard steel brace. In addition, the radiator and engine cover features an attractive carbon-fiber appearance.

9 CTS-V LOGO FLOOR MATS

Designed specifically to fit your CTS-V. Floor mats will add a custom appearance while protecting the carpet of your new vehicle from mud, water, road salt, or dirt. Officially Licensed Accessory.

7 CTS-V VEHICLE COVER

Custom-constructed of lightweight, easy-to-handle material. Keeps out dirt, dust, and abrasive particles. Allows moisture to evaporate. Officially Licensed Accessory.

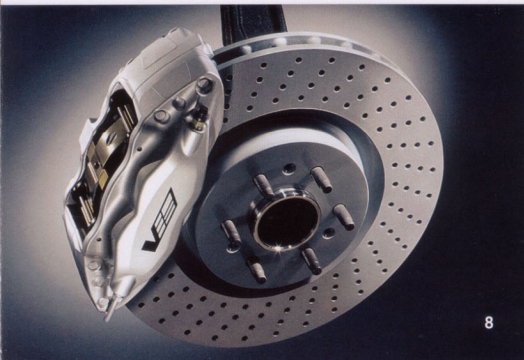

10 CTS-V PERFORMANCE EXHAUST SYSTEM

The CORSA cat-back performance exhaust with dual stainless steel tips applies patented Reflective Sound Cancellation technology that reduces back pressure while producing a crisp note at full throttle. Officially Licensed Accessory.

CTS-V PERFORMANCE SHOCK PACKAGE

Enhance the handling of your CTS-V with the Performance Shock Package (not shown). Includes a set of shocks tuned on Germany's famed Nürburgring racetrack.

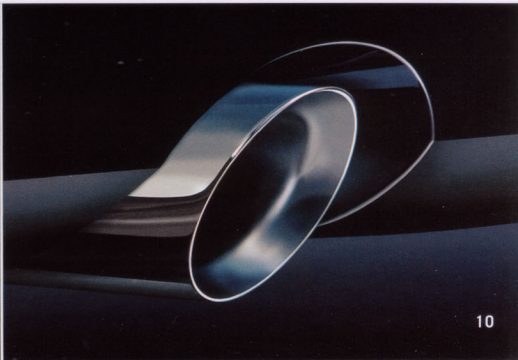

*Available fall 2004. **Available winter 2005.
